ABOUT US

Made by hand, *and* fairly paid.

Unnathi Creatives is a worker-oriented organisation. Our makers are persons with disabilities, mothers of neurodivergent children and local women artisans. Together they print, paint and stitch everything in this catalogue.

Each maker learns the craft step by step and is paid fairly for the work. Every order pays a maker.

HOW UNNATHI WORKS

Train

Makers learn printing, painting and stitching at their own pace, with a trainer alongside.

Create

They make every product here, from carving the print to the final stitch.

Earn

Each sale pays the maker a fair wage for their work.

Talent, not a diagnosis.
